GOVERNOR JOHN A. MEAD.

RECEPTION LARGELY ATTENDED.

Montpelier Orchestra Rendered Music. Many Beautiful Gowns in Evidence.

Lieutenant-Governor John A. Mead of Rutland was today inaugurated as governor of Vermont to succeed Governor George H. Prouty, the exercises taking place in the State House at Montpelier, when joint sessions of the legislature were held, first in the morning to hear the message of the retiring executive, and again this afternoon to receive the incoming governor. Outside of the joint assemblies, little was done by either the House or the Senate.

At the opening of the House session, a resolution conveying the congratulations of the House to A. P. Hinton of Bethel, on the occasion of the 50th anniversary of his election as speaker of the House, was presented by Mr. Miller of Bethel and adopted. A resolution of sympathy for Representative E. M. Pierce of Mendon was offered by Mr. Peck of Burlington and adopted. Mr. Pierce was taken seriously ill with heart trouble at his boarding place yesterday and is now seriously ill at Heaton hospital.

Representative C. S. Scofield, who came to Montpelier without his credentials, presented them this morning and took the oath. Joint resolutions relating to the rules of joint sessions and providing for free newspapers for the House were adopted by the House.

In the Senate the business consisted of the administering of the oath to the Senate members by the joint canvassing committee and the taking of the oath by president pro tem. Powell, Mr. Powell was escorted to the chair and made a brief address.

At 10:40 o'clock came the joint assembly, to listen to the message of the retiring governor. On motion of Senator Cushman of Bennington, the presiding officer appointed Senator Cushman, Senator Butterfield of Orleans, and Representative Ames of Brighton, Chief of Rutland and Beane of Newport a committee to present Gov. Prouty before the joint assembly. Gov. Prouty was received with applause and read his message. (Gov. Prouty's message will be found on page 3.)

On the reassembling of the legislature this afternoon, the joint canvassing committee to canvass votes for state officers reported the election of John A. Mead as governor, and shortly afterwards he was escorted into the representatives' hall and announced as the next governor of Vermont.

The oath of office was administered by Chief Justice Rowell. The joint assembly was presided over by Senator Powell, president pro tem of the Senate. As a committee to escort Governor Mead to the bar to receive his oath of office, President Powell appointed Senators Clark of Rutland, Gordon of Barre, and Representatives Fletcher of Cavendish, McCuen of Vergennes and Page of Hyde Park.

The official vote for governor was announced by the joint committee as follows: Total vote, 54,923; Mead, 35,293; Watson, 17,425; Towle, 1,044; Ordway, 1,053. Majority for Mead, 13,568.

It is on the cards that the legislature will adjourn to-morrow until Monday to give the speaker of the House an opportunity to make up his committee appointments and also that the Senate committee can be arranged.

GOV. MEAD'S ADDRESS.

Makes Many Recommendations to the Legislature.

In addressing the legislature, Governor Mead took occasion to laud Vermont, saying that the state is "blessed to a greater degree than any other of the New England states," as nature has dealt generously with her. He referred to the report of the commissioner of agriculture, that Vermont nearly equals all the other New England states in dairy products; spoke of the "splendor of our scenery," and alluded to the state's wealth of stone products.

Branching out on the subject of agriculture, Governor Mead said that Vermonters do not have the fullest knowledge of agriculture, and he recommended that the legislature establish one or more agricultural high schools to develop a "class of practical and scientific farmers." He thought the state agricultural college is doing a good work, but its graduates, he complained, did not return to the farm in any considerable numbers.

Dogs, Governor Mead said, are a "special evil" or pest of farm life in Vermont—the "worthless dogs," as he called them.

LET BOY KING
LEAVE CITY

Revolutionists Didn't Want to
be Called Regicides

"ESCAPE" SAFELY PLANNED

The New Government Is Acting with
Great Firmness in Suppressing
Disorders, Says Report from
Lisbon To-day.

Lisbon, via Carcavelos, Oct. 6.—King Manuel has escaped. According to the best authority, it is learned that the "escape" of the boy monarch was carefully planned and executed. Leaders in the remarkable revolutionary movement, Tuesday, being desirous of being known as liberators, not as regicides, were generally thought to have allowed the king to get away. His whereabouts is known, as the revolutionists are purposely spreading conflicting stories to prevent his capture. The new government is acting with great firmness in suppressing disorders.

Announcement is to be made shortly that the government will observe all existing treaties made by royalists. Many troops are yet loyal to the government in the provinces, but the city is regarded as won over.

In Lisbon the battle waged for 31 hours, at daylight this (Wednesday) morning, realizing the hopelessness of resistance, the royalists fled, leaving the palace, surrendered. By 9 o'clock the green and blue flag floated over the defenders had been. The chief fear of the revolutionists is interference by foreign powers.

STRANGE FLAG FLIES
OVER LISBON TODAY

It Is the New National Flag of Red and
Green, Raised by the Revolutionists—
The Royal Family
Is Absent.

Lisbon, Oct. 6.—The capital is now completely in the hands of the republicans, who have formed a provisional government, with Theophile Braga as president. A new national flag of red and green is flying over all the public buildings, including the town hall.

King Manuel, with Queen Mother Amalia and his grandmother, the Queen Dowager Maria Pia, has taken refuge at Mafra, 23 miles from Lisbon.

Already the Spanish minister, in full uniform, has called to pay his respects to the republican leaders. It is impossible to estimate the number of killed and wounded in Tuesday's fighting, but it is expected to reach several hundred. The city has been considerably damaged by the bombardment of the insurgent warships. The buildings occupied by the ministers around the Praça do Commercio and the Necessidades palace were made the particular targets of the shells from the warships. A new national flag of red and green is flying over all the public buildings, including the town hall.

SPAIN ON THE VERGE
OF AN OUTBREAK

Because Information Has Leaked Out
That a Spanish Force Has Been
Sent to Portugal.

Madrid, Oct. 6.—Premier Canalejas has declared that the queen mother of Portugal and duke of Oporto are aboard one of the royal yachts and are safe. He professes to know nothing of the whereabouts of King Manuel. Spain is on the verge of a civil war through information that strong force of Spanish troops has been ordered to the Portuguese frontier. It is believed that Alfonso will aid Manuel to regain the throne, with Spanish bayonets. The Spanish republicans are raging and it is believed that such a move would precipitate a civil war here.

Late official advices from Lisbon, by way of the frontier, say that the greater part of the army remained faithful to the king. Communication with Lisbon from outlying districts, however, has been impossible as the revolutionists cut all the bridges and blocked the highways in order to prevent the advance of the troops hurrying to the support of the king. Nevertheless, the garrison at Elvas is now advancing on Lisbon, and the garrison at Oporto is prepared to leave for the capital on a moment's notice.

200 WERE KILLED
AND 400 WOUNDED

As Result of Thirty Hours' Fighting
in Lisbon, Say Refugees To Spain.
City Being Fattified.

Badajoz, Spain, Oct. 6.—Lisbon refugees, who are arriving here say that 200 killed and 400 wounded is a conservative estimate of casualties in thirty hours of fighting there. Messages from Lisbon declare that the revolutionists are fortifying the city, anticipating an attack by royalist troops, who are reported to be marching against the capital.

The restoration of Manuel is demanded by many provincial troops, but it is not believed they are strong enough to seriously interfere with the new government.

SEASON OPENS SATURDAY.
Goddard Seminary Will Play Norwich
University Second.

Goddard seminary's football season will open on the campus next Saturday afternoon with a game with the second team of Norwich university of Northfield. Coach Stacy is rapidly whipping the material into shape and a game is expected. The seminary eleven had a spirited scrimmage with the second team last night, and the players of both teams exhibited excellent form. Chappell, Scamplin, Eise and Sherburne made a good showing in the back field, and proved themselves a formidable quartet. Leman and Turney were there also and played a consistent game on the line. The team is captained by William Richardson, who played such a star center last year.

Manager Priest has arranged the following schedule: Oct. 8, Norwich second, at Barre; Oct. 12, Italian Athletic club, at Barre; Oct. 15, Norwich second, at Northfield; Oct. 24, St. Michael's college, at Northfield; Oct. 29, Burlington high school, at Burlington; November 5, St. Michael's college, at Winooski; November 12, Burlington high school, at Barre. 'Twas a Hard-Fought Battle at Burlington Yesterday.

The university of Vermont owing to its weight penetrated the defense of St. Lawrence practically at will. The summary:

Umpire, Lieutenant Kromer, tenth United States cavalry. Referee, Burt of St. Lawrence. Linesman, Dodd and Williams. Score, university of Vermont, 6; university of St. Lawrence, 0.

Reputed—All Was Har-
mony Throughout.

Boston, Oct. 6.—Praising the Taft administration, repudiating the "Stand-patist" of Speaker Cannon and straddling on the tariff question, the Republican state convention to-day renominated all but one of the present officers. All was harmony when state chairman Hatfield opened the convention and introduced the permanent chairman, Robert Luce of Somerville, who sounded the keynote of the campaign with an opening declaration that no insurgency existed in the state, because no reason exists for such.

The following were then nominated: For governor, Eben S. Draper; lieutenant-governor, Louis A. Frothingham; secretary of state, William M. Olin; attorney general, James M. Swift of Fall River; auditor, Harry E. Turner; state treasurer, Elmer A. Stevens; the name of James M. Smith was the only new one, Dana Malone being the present incumbent.

The feature of the convention was the true between Congressman Ames and Senator Lodge last night.

In selecting "A Day at the Ranch" for their initial appearance as entertainers, the members of Hiawatha lodge, I. O. O. F., have made a happy choice, and have a very decided novelty for this musical play is entirely new to Barre and contains more funny features and more singing and dancing specialties than any given here before. Mr. and Mrs. Rodenbaugh have been producing plays of some sort here for the past ten years, always successfully, and they claim that this latest one is very much superior to any of their other efforts. One attending rehearsal is surprised at the large number of young men on hand, something very unusual, but "A Day at the Ranch" is already so popular in getting pretty nearly anyone they wish to take part. Rehearsal this evening will be held in the Universalist hall, this being lodge night in Odd Fellows' hall.

POWERS BUCKS RAILROAD
TO GET HIS SALARY

Former Congressman Is In Supreme
Court As Plaintiff In Suit Against
the Rutland Railroad.

The suit of former Congressman H. H. Powers of Morrisville against the Rutland railroad for \$21,000 claimed to be due for services as general counsel for the company from 1903 to 1908, occupied the attention of the Vermont supreme court yesterday afternoon. Ex-Congressman Powers' son, George M. Powers, is a judge of the supreme court, and he being disqualified to sit on the case, Judge Miles of the superior court was designated to sit in his place. The case is attracting a great deal of attention.

Mr. Powers claims to have a contract signed by Dr. W. S. Webb, president of the Rutland railroad, dated Nov. 7, 1903, agreeing to employ him as general counsel for a five-year period. He also claims to have received two payments under that contract, and to have received an assurance from Dr. Webb in the latter part of January, 1904, that his contract would be carried out.

The defendant denies that Dr. Webb had any authority to act for it in this matter and that it made any payments under the contract. It claims that none of its officers knew of this contract until September, 1908, when plaintiff's resignation was asked for and given. It also claims that its executive committee in December, 1908, fixed the plaintiff's salary at \$6,000 a year and voted not to allow him expenses while in Rutland, which expenses plaintiff says he was entitled to under the contract.

After January 1, 1904, and until he left the company in 1908, it appears that Judge Powers received each month a check for \$500, and signed receipts in full which he sent the defendant without notice of any claim for anything more. He also made out and sent in expense accounts after January, 1904, having out his expenses while at Rutland, which the defendant claims shows that the judge was satisfied with the action of the executive committee, fixing his salary at \$6,000 per year.

It also appears that Judge Powers was a director of the company from October, 1902, to February, 1905, and the railroad claims he took part in a meeting of the directors in October, 1904, at which time he acquiesced in a resolution confirming the resolution of the executive committee fixing his pay at \$6,000.

The defendant also relies upon a statute which provides that no officer of a corporation shall receive a salary unless it has been voted and the amount fixed by the directors, as well as upon provisions of its special charter, which it claims gave the directors alone power over this subject.

JUDGE CALLED ON
TO HEAR QUARRELS

Numerous Cases Brought Up, Includ-
ing Two for Intoxication—One
Man Alleged to Have Point-
ed a Gun at Another.

In the city court this morning, Charles H. Spaulding pleaded guilty to the charge of breach of the peace and sentence in his case was suspended until Oct. 20. He was arrested last night by officer Gamble on a warrant. Later in the forenoon, Mrs. Lewis Mudgett was brought into court on the charge of breach of the peace for an alleged altercation with Mrs. Charles H. Spaulding. Mrs. Mudgett pleaded not guilty and her case was set for a hearing on Monday.

Julius Miani was arraigned before Judge Scott, as justice, this forenoon on the charge of breach of the peace, it being alleged that Miani shot and killed a dog owned by John Willgoose, who resides in Barre Town on Reckley hill, and threatened to shoot William Green, an employee at the Willgoose farm. Miani pleaded not guilty and the case was set for a hearing on Monday. Bail of \$50 was furnished by T. Rossi. Miani was arrested by deputy sheriff George L. Morris on a warrant issued by Grand Juror C. N. Barber of Barre Town.

The trouble took place last Friday and it is alleged that Miani and several other men were passing the Willgoose house, when Miani shot Willgoose's dog, for what reason has not yet been brought out. It is said that Green, who was at work in the field, ran out to the road and demanded the names of the men. Then, it is alleged, Miani pointed the gun at Green and threatened to shoot him if he came any nearer.

John Thomas, who claimed he was from St. Albans, pleaded guilty to a first offense of intoxication and being unable to pay a fine went to the county jail for 20 days. He was arrested at 4 o'clock yesterday afternoon by officer Gamble, who found him on Granite street. Thomas objected strenuously to being arrested and the officer had a hard struggle getting him loaded into a team. The officer hailed Joseph Dyer to assist him in getting the man into the wagon.

Joseph Rogers, who pleaded not guilty to the charge of subsequent offense of intoxication Monday, appeared before Judge Scott last evening and changed his plea to that of guilty and paid a fine, with costs, amounting to \$23.55.

1862 HOUSES
ARE VISITED

During Course of Religious
Census About Barre

FINDINGS ARE TABULATED

The Returns Are Not All Complete, Be-
cause Some of the Households
Were Away and Others Re-
fused to Divulge.

The religious canvass of the homes of Barre, Westerville, East Barre, South Barre and Graniteville, conducted by the state Sunday school association in the interest of the churches and Sunday schools within the city and its precincts, was nearly completed Tuesday night, although several of the ward superintendents were unable to report until early Wednesday morning.

The Barre room of the Congregational church was a busy place all day yesterday, when two local pastors, Rev. E. O. Thayer and Rev. J. W. Barnett, five of the ward superintendents and several volunteers devoted the larger part of the day and evening to the tabulation of the figures secured in the canvass. From the returns it was found that 125 canvassers, chosen from the several churches, had assisted in the work and that a total of 1,802 homes had been visited Tuesday.

Following are the findings of the canvassers, the first group representing the statistics of Barre City only, as many members came from Barre Town and do not represent the accurate church membership:

Total number of families visited, 1,802; number of canvassers at work, 125; Protestant individuals registered, 4,810 children under 5 years of age, 327; of this number 55 are in Sunday school; children between 5 and 18 years, 1,198; of this number 945 are in Sunday school; men between 18 and 45 years of age, 720, of whom 170 are in Sunday school; denominational preferences, Baptist 457, Congregational 1,280, Episcopal 344, Methodist 660, Presbyterian 1,984, Universalist 772, all other denominations 140; total Protestant church membership, 1,517; total number giving no preference, 70; number previously in Sunday school, 1,420; number promising to join Sunday school, 118.

Thirty-four families were away from home when the visitor called, so that the information was incomplete. A few homes were missed, although an attempt will be made to revisit these homes, in order that a correct report may be secured. A few families refused information. In two districts the work was not quite completed. In almost every instance, the canvassers were pleasantly received. It is the purpose of the local pastors, whose congregations participated in the work, to continue the visits and to give a welcome to the many strangers with whom they have become acquainted through these introductory calls. The work of the enumerators has been given much time and attention, and it is thought that a careful revision of the statistics would hardly reveal any errors.

Following is the result of the tabulation for South Barre: Number of districts, two; Protestant families, 100; Roman Catholic, 20; no preference, 31; total, 123; population, Protestant 341, Roman Catholic 85, no preference 10; children under 5 years, 35, of whom 2 are in Sunday school; children between 5 and 18 years, 67, of whom 35 are in Sunday school; men between 18 and 45 years, 49, of whom 10 are in Sunday school; denominational preference, Methodist 116, Baptist 33, Congregational 53, Presbyterian 13, Universalist 92, all others 40; total number giving church preference, 341; total church membership, 71; total number giving no preference, 10; number previously in Sunday school, 47; number promising to join Sunday school, 5.

The figures for Westerville (including East Barre and Graniteville), comprising three districts, are as follows: Number of canvassers, 6; number of Protestant families, 80; number of Roman Catholic families, 124; total, 204; Protestant population, 492; Roman Catholic population, 628; no preference, 22; total, 1,152; children under 5 years, 37, of whom 2 are in Sunday school; children between 5 and 18 years, 94, of whom 49 are in Sunday school; men between 18 and 45 years, 86, of whom 18 are in Sunday school; denominational preferences, Baptist 71, Methodist 7, Congregational 18, Universalist 107, Episcopal 92, Adventist 4; total giving church preference, 368; total giving no preference, 22; number promising to join Sunday school, 20.

The work of taking the census has been presented under the direction of Miss Edith M. Bales, field secretary of the state Sunday school association, while Rev. E. O. Thayer, pastor of the Heding Methodist church, had acted as general superintendent of the work.

SOUND THE PIPROCH.

A Scot Is Coming to Town To-night,
Loyal Paul in "The Wolf."

Legal Paul, who plays "MacTavish" in "The Wolf" at the Barre opera house to-night, was born in Ayr, Scotland (the home of Robby Burns), and his relationship to John Paul Jones is a fact. When asked where he came from, he replied:—"I come from the town of Ayr in Scotland, the birthplace of Robby Burns."

"And Ayr where ne'er a town
surpasses."

For honest men and bonnie
lasses—
"Ye ken!"

Besides that, Mr. Paul is very proud of the fact that he is a grandnephew of John Paul Jones, the first American admiral.

Respondent and Complainant Rev. E.

In the case of state vs. Rev. E. F. Forney of Plainfield in county court this morning, Mr. Forney and the complainant, Mr. Fowler, were on the stand.
